

March 10, 1944.

My Darling -

This is one way to make certain you receive a letter both Monday and Tuesday (- or reasonably certain, anyway!) 'cause I'm terribly sorry you didn't receive one last week - and now I'm sure you'll have these at least by Tuesday.

By now my curiosity will be satisfied - 'cause we will have seen each other and I'll know what you thought of Pibey's letter - I'm very curious. You are right about high school - 'cause it wasn't until you introduced me to Pibey and Charles that I really know her - even though I knew her in high school - and I hadn't known Charles at all - they're two grand people - and two of our best friends - . And by now I will also have told you about our phone conversation - and I do want to wear tails!

Darling - it's Friday evening and all I can think about is that I'll be with you tomorrow - nothing must stop me - if I miss the 12:04 - I'll catch the 1:05 - but if by chance I miss that, I'll hitch-hike until 5:01 - if I don't have a pick-up by that time I'll dash to get the 5:10 - if I can't get there any other way I'll run - but if we're restricted I'll be the saddest fellow in the world 'cause then I couldn't be with you - if I went there and were caught - probably all my week-ends would be restricted - so

I'm hoping that the next few hours are uneventful -
I must see you this week-end - last Sunday was
years and years ago.

We will also have discussed our piggy bank
when you read this - and I have a feeling that it will
not be used for the den (I'll have to be satisfied with
the three hundred for that!) - so - I guess we will
decide it'll be for the china - 'cause we will need china!
('cause we're going to have a dining room) and since
a dining room isn't complete without silver and
china - we'll have them! - And everybody all over
the world will envy our dining room - because the
Dietitian supervising this dining room will be the
best Dietitian in the world - there won't be a
restaurant, hotel, cafeteria, hospital or any other
establishment - that will have a Dietitian one-
hundredth as good - . And I'm the luckiest guy
in the world because not only will she be the best
Dietitian in the world, but she is the most wonderful
person in the world and I love her with with all
my heart.

Darling - I'll be with you in just a few
hours - but it seems so long. Goodnight - sweet
dreams - All my love to you, Dearest - I am
yours, forever -
Jerry (xx)
